OUR FEATURED DOG:

Barney is a friendly, easy-going hound mix. He would make a wonderful companion. He is diabetic but it is easily managed.

Dear Friends,
Adopt-A-Dog/Save-A-Life Inc. has been committed to rescuing dogs for over 30 years. Thousands of dogs have been adopted into loving, caring homes in this time.

Our rescue team has been working very hard again this year to save the lives of many precious dogs. We have a wonderful group of people that sacrifice their time and energy to assist in this rescue work. Thank you to all of our volunteers – without you, we could not continue!!! If you think you might be interested in fostering please see the fostering section on our website.

Every dog that comes into our rescue program receives veterinary care. Most of the dogs require neutering/spaying and vaccinating. Many need grooming, dental work, and proper nutrition. Some require more extensive medical care in order to survive. Your donations enable us to help these dear dogs.

One of these special dogs is Buddy, a beautiful collie mix. Sandra (Buddy's new mom) shared the following story with us:

Buddy with Mindy

Dear Grace,
We adopted Buddy from you a few years ago. I want to share this story with you. This past February I was looking after a farm while the owners were away. One of the cows had a calf... everything that could go wrong, did! It was very cold – minus 20 and it was an open barn. The calf was refused by her mother and left in a corner to freeze to death... she was not expected as early as she came and we happened upon her very shortly after the calving... she was still soaking wet from the birth... she needed to be rubbed down and Buddy stepped up to the challenge. As we rubbed her down, he licked her and mothered her... and then snuggled up under one of our wool emergency blankets. He kept her warm on that very cold day. He stayed with that calf as she took her first steps and when we brought her to her foster mom. The little calf was named Mindy and she went to the Royal Winter Fair this fall, thanks to Buddy. That is our success story!
Thank you again for all the wonderful work you do!

These are the stories that keep us going!

There are hundreds of dogs like Buddy that need a bit of help finding their forever home. With your continued support we can save even more dogs like dear Buddy.

All of us at Adopt-A-Dog/Save-A-Life wish you a happy and healthy holiday season!
